

THE PURDUE LANDSCAPE REPORT

Purdue Landscape and Arboriculture Diagnostic Tour

By: Kyle Daniel, daniel38@purdue.edu

Join Purdue Extension Specialists and Diagnosticians on August 18, 2021 in downtown Indianapolis for a walking tour of diagnosing plant problems. In addition to the Purdue Plant and Pest Diagnostic Lab diagnosticians, the entomology, urban forestry, and nursery and landscape specialists will guide attendees through the diagnostic process and provide solutions to problems encountered on the tour.

There will be a morning and afternoon tour to allow for smaller groups.

Register before August 6th to receive the early bird discount.

Credits will be requested from the Office of the Indiana State Chemist and International Society of Arboriculture.

Register online:
